- *Item 6.** The Tucson Historic Preservation Foundation comprehensive report requesting the review of the old US 80 for evaluation will require the action of the Parkways Historic and Scenic Roads Advisory Committee (PHSRAC). The Arizona Historic US 80 route proposed extends from the California/Arizona state line at Yuma to the Arizona/New Mexico State line.

The PHRAC's role is to review the report and recommend to the ADOT Director a recommendation if the committee determines that the road meets the requirements for designation. The Director may then forward the recommendations to the Transportation board for Designation of the Arizona Historic US 80 or sections of the highway as an Arizona Historic Road.
